What is not insured?

- ✗ Any medical condition you have which a medical practitioner has advised you not to travel with (or would have done so had advice been sought) but despite this you still travel.
- ✗ There is no cover for medical expenses or cancellation or curtailment of your trip if a) you are not fit to travel: i) on the date of booking any trip and either paying for the trip in full or paying the initial instalment or deposit towards the final cost of the trip; and ii) on the date(s) you pay any further balance(s) or instalments towards the final cost of the trip; and iii) on the date of departure on the trip, or b) a claim is caused directly or indirectly by a terminal illness you have.
- ✗ Any claim for cancellation or curtailment of your trip arising from circumstances known to you when the insurance was purchased, or at the time of booking any trip, which could reasonably have been expected to lead to cancellation or curtailment of the trip.
- ✗ Any claim for cancellation or curtailment of your trip if you chose to quarantine or isolate as a result of exposure to an infectious disease including Covid-19.
- ✗ Any surgery, treatment or investigations for which you intend to travel to receive.
- ✗ Any trip undertaken for business purposes.
- ✗ Any claim arising from suicide, drug use, alcohol or solvent abuse.
- ✗ Any claim arising from wilful, malicious or unlawful acts, self-inflicted injury, or you putting yourself at risk.
- ✗ Any claim arising from participation in or practice of any professional sports or dangerous sporting activities (as listed in the Evidence of Insurance).
- ✗ Travelling against the advice of the Foreign, Commonwealth and Development Office (FCDO).
- ✗ Any claim caused by or resulting from an infectious or contagious disease, an outbreak of which has been declared a Public Health Emergency of International Concern (PHEIC) by the World Health Organization (WHO). However, this exclusion does not apply to claims for emergency medical treatment and if there is a medical requirement to bring you home. There is also cover for cancellation or curtailment of your trip because you became ill with an infectious or contagious disease, including contracting Covid-19, in the 14 days before the start date of your trip or during your trip.
- ✗ Any medical expenses incurred in the United Kingdom.
- ✗ There is no cover if you ask us to pay for a loss that is insured or guaranteed by any other existing protection, specifically Package Travel Regulations, Air Passenger Rights, ATOL (including Civil Aviation Authority requirements), or ABTA protection, or from your credit card provider under s75 of the Consumer Credit Act, or any other specific legislation for transport or travel providers.
- ✗ There is no cover if you ask us to pay for any costs already accepted or offered by your transport and/or accommodation provider.

- ! This is travel insurance not private medical insurance, so there is no cover for medical expenses incurred in private facilities if medically capable public facilities are available.

Where am I covered?
