2. is not already abroad when the trip starts.

8. are aware that there is no cover under this policy if you purchased this insurance with the reasonable intention or likelihood of claiming.

Please note: UK travel cover has the same excesses as overseas cover (except those marked with an asterisk), where applicable.

Benefits are subject to the conditions, limitations and exclusions detailed in this policy booklet.

1 **About your policy (continued)**

This is a travel insurance policy and not private medical insurance; so there is no cover for any medical expenses incurred in private facilities if medically capable public facilities are available.

- The policy is a legal contract between you and us, and is subject to the exclusive jurisdiction of the courts of your home country. We will settle all claims under the home country's law and all our correspondence with you will be in English.
- No alterations and/or additions to the printed terms and conditions of your policy are valid unless made in writing by us.
- The policy document comprises of separate sections that state what events you are covered for and any applicable limits, conditions and exclusions. If your circumstances do not fit those described, then there is no cover in place. Only events that happen during the period of insurance and for which the appropriate premium has been paid will be considered.
- The policy is based on indemnity, and will only respond to unexpected and unforeseeable events.
- You are expected to take reasonable care of yourself and your possessions, and act as if uninsured at all times. We will not consider claims that have arisen due to reckless behaviour or feature inflated costs.
- You must supply us with all the documents and information we may reasonably need, and not pay or agree to pay costs that another party is seeking to claim from you that we have not authorised.

- We may take over and deal with, in your name, the defence/settlement of any claim made under the policy; and take proceedings in your name, but at our expense, against the responsible party to recover, for our benefit, the amount of any payment made under the policy.
- We will only pay a proportionate amount of the claim where there is other insurance in force covering the same risk and you will provide details of such other insurance.
- We will not pay medical costs in excess of customary and reasonable levels of charging.
- USA Medical Costs: Medical providers in the USA routinely charge international patients many times higher than it costs them to provide service. As this policy covers customary and reasonable medical expenses, we will not pay excessive or inflated charges for your treatment so it is important that you do not pay any medical providers up front, either at the time of your treatment or on your return to your home country. They may engage the services of collection agencies but any correspondence should simply be sent on to us, unanswered: there is no lawful action that can be taken which we cannot step in and take over on your behalf.

How to contact us in a medical emergency

PLEASE NOTE: This is a travel insurance policy and not private medical insurance; so there is no cover for any medical expenses incurred in private facilities if medically capable public facilities are available.

IF YOU NEED MEDICAL ASSISTANCE WHEN YOU ARE AWAY YOU SHOULD CALL 112 OR THE LOCAL EQUIVALENT OF 999

Customers should receive emergency medical treatment or management regardless of their ability to pay or any other consideration. A failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

YOU SHOULD THEN CALL tifgroup-assistance ON +44 (0) 203 829 6745*

Whilst the actual medical care you receive is in the hands of the local doctors treating you, we can obtain the medical information we need from them to establish what is wrong, as well as their treatment and discharge plans. We can support you in the event you are admitted to a facility that may not be suitable for your clinical needs or where there are concerns over practice.

We will then advise on, and can put in place, suitable **repatriation** plans to get you home as soon as it is medically safe to do so. We will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of **repatriation** that is best suited to your individual needs and your recovery.

We understand that an immediate contact with us could be difficult. If you are travelling alone and cannot make a call to us yourself, please ask a representative from the hospital to call us with your details as soon as possible. We can then offer any useful information and translation requirements to the hospital and you can concentrate on getting better.

**Please note - we may record and/or monitor calls for quality assurance, training and as a record of our conversation.*

Medical Treatment

There is not cover for:

- routine, non-emergency or elective treatment
- or treatment that can wait until you return home.
- Our doctors are not treating you; they are not responsible or in control of the clinical care you are receiving in a medical facility.
- In some instances, you may need to be moved from one local facility to another larger/ more specialised facility, for treatment.
- Having travel insurance does not ensure a 'fast track' medical service from the treating facility, much like the NHS – emergency service rooms can be busy at certain times and so it is possible you may have to wait as you would in your local NHS hospital unless you require critical care.
- Once you are discharged from hospital this does not always mean you are fit to fly home – For example, if you were in the UK and suffered the same injury/illness, then you would not consider flying out on holiday so soon after surgery/treatment/ incident.
- Some medical facilities will raise charges that are far in excess of customary and reasonable; we will deal with such bills directly and there is no need for you to pay them. You simply need to pass any correspondence about such bills to us to ensure we can provide full financial protection.

Repatriation (bringing you home)

- Coming home straight away is not always an option even if you are considered 'fit to fly' by the treating doctor.
- We have a medical team with experience in aviation medicine who will advise on both the timing and method of **repatriation** which is best suited to your individual needs and your recovery.
- Most airlines require specific criteria to be met in order to accept a 'medical passenger'.
- Things change – if your health, stability or vitals change – then so do the plans.
- Availability of air ambulances, stretchers and appropriate medical escorts can be limited in specific areas and at different times of the year.
- Air Ambulances are 'flying intensive care units' and are only used to transport critical patients to a hospital in the UK, if treatment is not possible where they are.

3

Out-patient or treatment for a minor injury or illness

PLEASE NOTE: This is a travel insurance policy and not private medical insurance; so there is no cover for any medical expenses incurred in private facilities if medically capable public facilities are available.

FOR A NON-URGENT MEDICAL SITUATION

That is something you would normally see your GP or minor injuries unit for, so you don't need to attend hospital but you do need some medication to treat a nonemergency situation. Like what? Poorly child with tonsillitis? Infected cut on your foot? We have teamed up with **Medical Solutions UK Ltd**, who offer UK Registered Doctors who give medical support and assessment over the phone and are able to prescribe in many countries across the globe.

This means you can quickly access support with minor ailments without disrupting your trip too much. You can access this facility free of charge by calling **+44 161 468 3793**

YOU CAN ALSO CALL 112 OR THE LOCAL EQUIVALENT OF 999

Customer should receive emergency medical treatment or management regardless of their ability to pay or any other consideration, a failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

OPTIMAL CARE

In our experience the access to the best doctors, diagnostics and optimal care in many areas of the world (particularly in Europe but also across many destinations worldwide) are limited to state facilities. They don't always look as nice, but we have experience of good clinical outcomes within a regulated environment without the risk of a patients' health being compromised over commercial interest, immoral and dangerous practices such as extortion, detainment and withdrawal of treatment you are unlikely to find occurring in state facilities. If you would like to know more about our approach to receiving the best medical care overseas and **repatriation** planning, please visit our website <https://philosophies.tifgroup.co.uk>

IN THE EVENT THAT YOU DO RECEIVE OUT-PATIENT TREATMENT WHEN YOU ARE TRAVELLING

Using these agreements in public facilities will mean that medical treatment will be free, or at a reduced cost, and your standard policy excess will be waived from any claim you may make. If you are unable to use the EHIC, you will have to pay the medical facility and submit a claim when you get home, the policy excess will then be applied.

In European Union Countries – if you present yourself at a public facility you are strongly advised to show your EHIC.

In Australia – you are strongly advised to enrol for Medicare, and have it accepted.

In Turkey, Cyprus, Egypt and Bulgaria – we utilise the services of Global Excel who can arrange for the bill to be paid directly. You simply fill in a Global Excel form in the medical facility to confirm the nature of the treatment received and pay your policy excess to the facility. They will then send the remaining bill directly to Global Excel for payment. More information can be found here www.globalexcel.com

Everywhere else in the World – if there is not suitable public facility that will treat you free of charge, you can pay the medical facility and retain all receipts so that you can make a claim when you get home.

Please note:

If the costs are likely to exceed £500 or you are admitted to hospital, you should call us on: **+44 (0) 203 829 6745**

1.5 Renewal

If an **overseas journey** crosses a renewal date, the premium due on renewal must be paid on or before the renewal date. If the premium is not paid, all cover under this **travel policy** will automatically be cancelled at the end of the day preceding the renewal date.

This **travel policy** is for one **year**. Before the end of any **year**, provided the policy you are on is still available, we will write to you to let you know whether we wish to renew the **travel policy** and, if so, on what terms. If we do not hear from you in response and we do wish to renew, then we may at our option assume that you wish to renew the current **travel policy** on those new terms. Where you have opted to pay the premium by Direct Debit or other payment method, we may continue to collect premiums by such method for the new **year**. Please note that if we do not receive your premium, you will not be covered.

1.6 Cancellation period

You may cancel this travel policy within 14 days of inception (or any subsequent renewal date), the 'Cooling Off' period, by contacting us during the cancellation period. We will then return any premium paid for the travel policy providing no services have been provided and no claims have been made on the travel policy in relation to the period of cover before cancellation (being no more than 14 days' cover). Thereafter, provided you have not made a claim on the policy (irrespective of whether your claim was successful or not) and you confirm in writing that there is no claim pending, should you choose to cancel and understand that all benefits of the policy will be cancelled, we will refund 1/12th of the total premium paid, for each full calendar month remaining on the policy from the date of cancellation. Section 1 - Medical benefits A - Medical and additional expenses

This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private medical facilities if we have confirmed that medically capable public facilities are available. Whilst the actual medical care you receive is in the hands of the local doctors treating you, we can obtain the medical information we need from them to establish what is wrong, as well as their treatment and discharge plans. We can support you in the event you are admitted to a facility that may not be suitable for your clinical needs or where there are concerns over practice. We will then advise on, and can put in place, suitable repatriation plans to get you home as soon as it is medically safe to do so. We will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of repatriation that is best suited to your individual needs of your recovery.

We will pay up to the maximum amount of **£5,000,000** in all for each **insured member** in any **insured period**:

We will pay expenses necessarily and reasonably incurred outside the **United Kingdom** if the **insured member** suffers illness or injury during the **insured period** outside the **United Kingdom**, for the following:

- (c) additional accommodation and travelling expenses incurred as a direct consequence of bodily injury sustained by the **insured member** or of unforeseen sickness of the **insured member** which has occurred while the **insured member** was on an **overseas journey**. We will pay for

accommodation and travel expenses of a similar standard to that originally booked and paid for.

- (d) charges in the event of the death of an **insured member** outside the **United Kingdom**, for burial or cremation in the locality where death occurs, up to a maximum of £2,000.
- (e) additional accommodation and travelling expenses which are necessarily incurred by one relative or one friend who is required, on written medical advice, to remain with an **insured member** who has suffered injury or sickness as in (c) above up to **£5,000**.

Please note: We will pay for accommodation and travel expenses of a similar standard to that originally booked and paid for.

USA MEDICAL COSTS

Medical providers in the USA routinely charge international patients many times higher than it costs them to provide service. As this policy covers customary and reasonable medical expenses, we will not pay excessive or inflated charges for your treatment so it is important that you do not pay any medical providers up front, either at the time of your treatment or on your return to your home country. They may engage the services of collection agencies but any correspondence should simply be sent on to us, unanswered: there is no lawful action that can be taken which we cannot step in and take over on your behalf.

What we will not pay for:

- (i) **treatment** received on an **overseas journey** if the **insured member** travelled to seek medical **treatment** or for **treatment** on an **overseas journey** if the **insured member** knew that such **treatment** would be needed at some point in the course of the **overseas journey**;
- (ii) medical costs in excess of customary and reasonable levels of charging.

- (vii) any charges where the **insured member** travelled outside the **United Kingdom** to obtain **treatment** (whether or not that was the only reason) or travelled against medical advice (including the published advice of the Chief Medical Officer of the Department of Health of England);
- (viii) any expenses recovered under a National Health Service reciprocal agreement abroad (for example by using a European Health Insurance Card);
- (ix) any loss or expense which is in any way connected with an **insured member's** psychiatric illness;

Section 11 - Travel within the United Kingdom only.

If the **insured member** is undertaking a **trip** solely within the **United Kingdom**, it follows that some Sections of this **travel policy** will not apply to the cover we offer for such a journey.

The following modifications therefore apply to your **travel policy** in respect of any trip made solely within the **United Kingdom**:

1. In Section 2 of the policy booklet the following definitions are modified

(a) The definition of '**overseas journey**' does not apply and the following replaces it:

trip

A journey which does not involve travelling outside the **United Kingdom** and must include at least two nights' pre-booked accommodation.

For the purposes of the cover provided under this Section 11, the term '**trip**' shall replace the term '**overseas journey**' throughout this **travel policy** and where the **travel policy** refers to departure from or to the **United Kingdom** this shall be interpreted as departure from or return to the departure point within the **United Kingdom**.

(b) The definition of '**train**' does not apply.

(c) For this Section only we have defined 'departure point' as: **departure point**: The point the **insured member** leaves their home to start their **trip**.

2. In Section 3 of the membership handbook the provisions of Section 3.1 (commencement of cover) do not apply and the following replace them:

3.1 Commencement of cover

Benefits 2 (Personal Accident), 3 (Personal Money), 4 (Curtailment), 8 (Legal Expenses) and 9 (Personal Liability)

Each **period of cover** begins when the **insured member** leaves the **departure point** to commence the trip and continues until the arrival back on the completion of the trip.

Benefit 4 (cancellation)

The **period of cover** commences immediately a booking for a **trip** has been made (or the date upon which the **travel policy** commences, if later) and terminates on the date on which the **trip** starts.

Benefit 5 (delayed departure and extended delay)

The **period of cover** operates from the time the **insured member** was required by the relevant itinerary to check-in at the airport, station or port until the pre-booked transport actually departs.

Benefit 6 (missed departure)

The **period of cover** operates from the time the **insured member** leaves home until arrival at the airport or **station** for the **trip**.

3. The following benefits are not available to **insured members** travelling solely within the **United Kingdom**.

(i) Section 1 Medical benefits (ii) Section 3 Loss of passport (iii) Section 10 Winter Sports
